[To accompany H. Res. 419]

The Committee on Rules, having had under consideration House Resolution 419, by a nonrecord vote, report the same to the House with the recommendation that the resolution be adopted.

SUMMARY OF PROVISIONS OF THE RESOLUTION

The resolution provides for consideration of H.R. 3994, to authorize economic and democratic development assistance for Afghanistan and to authorize military assistance for Afghanistan and certain other foreign countries, under an open rule.

The rule provides one hour of general debate equally divided and controlled by the chairman and ranking minority member of the Committee on International Relations. The rule provides that it shall be in order to consider as an original bill for the purpose of amendment the amendment in the nature of a substitute recommended by the Committee on International Relations now printed in the bill.

The rule provides that the committee amendment in the nature of a substitute shall be considered by title rather than by section. The rule allows the Chairman of the Committee of the Whole to accord priority in recognition to those Members who have pre-printed their amendments in the Congressional Record.

Finally, the rule provides one motion to recommit with or without instructions.
